Due to the absence of a quorum, there was no official meeting in February. The January minutes still need to be approved. They will be reviewed and approved at a subsequent meeting.

Trails Day Planning

Esther will ask David Meyer for a Girl Scout contact. Trail Improvement Project: Need to check in with Jeff. Make event Rain or Shine (no make-up day)

Reviewed flyer and made small edit suggestions, which Leslie implemented in final flyer.

Trails map planning

Discussion of new trails map—good step forward. A former colleague of Kelly's at Rutgers is now VA Safe Routes to School Coordinator. Kelly would like to coordinate more with VA SRTS.

Mason-Metro Update

Need the cover sheet including stakeholders. Next steps are to present study and get feedback at the Braddock-Fairfax City joint meeting in May. What is the path toward implementation? Need to figure out.

Meeting adjourned at 6:55.
